Subject: RE: [EXT]CERCLA Off-Site Acceptability of Chemical Waste Management, Emelle, AL

Paula,

Good morning.

We have approximately 60+ tons of PCB and metal (lead & cadmium) contaminated debris and soil for macroencapsulation.

*****CAUTION***** This email originates from a source outside the company. Please use caution when opening attachments, clicking on links, or following the senders request.

Good Morning Steve,

Please provide the type and amount of waste to be shipped.

All shipments to CWM Emelle must be pre-approved by Cala Obenauf, ADEM Land Division prior to shipping.

Chemical Waste Management, Emelle, Alabama is acceptable to receive waste regulated by the CERCLA Off-Site Rule. The EPA advises you to contact us within 60 days to check for continued acceptability.

Thanks,

Paula A Whiting

Subject: CERCLA compliance check

Ms Whiting, I would like to request the CERCLA compliance status of:

Chemical Waste Management, Inc
36964 Alabama Highway 17
Emelle, AL 35459
ALD000622464

This compliance check is being requested in support of the USEPA Region 3/Shiloh Church Road site in Nathalie, VA. Site ID is A38QRV00.

The OSC is Christine Wagner. Please let me know if you require any additional information, thank you.
